

KINGS RUN PROJECT, PHASE C

Construction: 2017 - 2018

Phase C includes:

- Sewer separation in College Hill, Winton Hills and Spring Grove Village
 - ~ 5,600 feet of new storm sewer along Winton Road
 - ~ 2,700 feet of new sanitary sewer along Winton Road
 - Conversion of existing combined sewer to a storm sewer on Winton Road
- Bioinfiltration basin (rain garden) at Greater Cincinnati Water Works reservoir in College Hill

Example of bioinfiltration basin (rain garden)

Examples of sewer construction work
