### **MSD Notice of Construction**

#### *Turnkey Court Local Sewer (HNs 2708-2736)*

The Metropolitan Sewer District of Greater Cincinnati (MSD) will be installing approximately 609 linear feet of new sanitary sewers at the Intersection of Lawyer Road and Turnkey Court and along Turnkey Court between House Numbers 2708 and 2736. Work is anticipated to begin in late February 2015 with final restoration completed by May 2015.

In 2009, a citizen's petition initiated this current project. Property owners representing 4 of 7 properties expressed support for the petition during the polling process in 2009 (57% level of support), meeting MSD's Rules and Regulations' requirements for majority endorsement from benefited properties.

Construction will occur primarily Monday through Thursday during daylight hours, depending on weather and the contractor's schedule. Work on Fridays or weekends may be necessary at times. MSD's construction contractor is Rack and Ballauer Excavating Company.

Temporary lane shifts or closures will occur on Turnkey Court and Lawyer Road. Access to driveways will be maintained, but could be temporarily delayed at times.

The Turnkey Court Local Sewer Project will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov).
