MSD Construction Project Update CSO 470 Eastern Avenue Sewer Separation Phase 3

The Metropolitan Sewer District of Greater Cincinnati (MSD) is installing new storm sewers from Eastern Avenue to Wilmer Avenue near Lunken Airport in Linwood. The work began in fall of 2014 and is anticipated to be complete by the end of 2015, *pending weather and the contractor's schedule.*

Traffic Pattern Update

From 9 a.m. Monday, April 20, 2015 through 4 p.m. Friday, April 24, 2015, pending weather and the contractor's schedule, a portion of Eastern Avenue will be closed to all traffic in the vicinity of 4458 Eastern Avenue, located south of Linwood Avenue and north of the 90-degree bend in the roadway.

Eastern Avenue will be closed to through traffic between Airport Road and Heekin Avenue.

Through traffic will be detoured. Westbound (inbound) traffic on Columbia Parkway with an Eastern Avenue destination will be detoured via Stanley Avenue.

Eastbound (outbound) traffic on Eastern Avenue will be detoured via Airport Road, Wilmer Avenue, Beechmont Circle, Church Place and Linwood Avenue.

Drivers are encouraged to use caution when approaching the closure site and are reminded to use alternate routes around the area if possible.

Project Background

The CSO 470 Eastern Avenue Sewer Separation Phase 3 is part of Project Groundwork, MSD's plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner water, improved protection of public health and enhancements to the communities where we live, work and play.

For additional information about this project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
